**Enjoy the best of both worlds**

**The most profound strength of TCC happens to be its teachers. They are specialists, they are constant and they are permanent.**

## **UNIQUE & UNMATCHED**

### **Specialists**

- Sir has been teaching the entire spectrum of Mathematics and LR & DI since **1999**.
- Similarly, Ma'am has been teaching the entire range of English since **2000**.

### **Constant**

- Since TCC's inception (**May, 2001**) Sir and Ma'am have been the constant factor.
- All the classes across all the batches are conducted by only Sir and Ma'am.
- This results in consistency, familiarity and flawless mutual understanding between the faculty members and the students.

### **Permanent**

- Sir and Ma'am are permanent, by default, as they are the owners of TCC.
- In other places the faculty members are temporary as they leave and join other institutes and are replaced by new ones.

*The only place to have specialist, constant and permanent faculty members.*

# Transcendent Achievements

## CAT Results : Epic

- For the last continuous 11 years TCC has the best results among freshers who are general graduates.
- This implies B.Com., BBA / BMS, and B.Sc. students who went to a business school without work experience.
- These TCC Students have got into top business schools including IIMs and XLRI on a regular basis.

## GD-PI Results : Monumental

- Best results in the country, by a long margin, since inception (May, 2001), i.e., for the last 20 years.
- Also, for the last staggering seventeen years (2004-05 to 2020-21),
  - IIM(s) call-conversion has been above 90 %
  - XLRI call-conversion has been above 80 %
  - Overall call-conversion (all business schools included) has been above 90 %

## Career Results : Matchless

Thanks to **'The TCC Journey'** (CAT & GD-PI trainings),

- Till date more than 150 TCC Students have got the best placement in their respective business school.
- TCC Students have got the best all India placements, all business schools combined, for 4 consecutive years.
- No other institute in the entire country has been able to match this feat.

**End of a hypothetical argument.**  
**(A real one has ceased to exist long back)**

Passionately Yours since May, 2001
